

Caprese

- 1-1/2 cups fresh mozzarella cheese
- 1/4 cup Migliore Traditional Balsamic Vinegar
- 2 large tomatoes
- 2 cups large basil leaves
- 1/2 red onion, finely diced
- 1/4 cup Migliore Extra Virgin Olive Oil (Any choice)
- 1 tablespoon dried oregano, crushed
- 1/4 teaspoon ground black pepper

Cut mozzarella into 1/4" slices, spread out in bowl, and douse with balsamic. Set aside. Slice the tomatoes into 1/4" thick slices. Arrange on plates. Take a slice of mozzarella and rub both sides into the vinegar. Place on top of a tomato slice. Repeat with remaining cheese. Remove the basil stems, then arrange the basil over the tomato-cheese piles. If you like, you can chop or slice the basil first.
